Scope of Work

1. Install suspended main ceiling tracking as described by the engineer.
2. Install suspended cross tees in grid as described by the engineer.
3. Install ceiling tile into grid
4. All work shall meet the specifications as described by the engineer, and pass inspection by the Ross County Building Department.
5. The Township will provide all materials.
6. The Township will provide all aerial lifts.
7. Huntington Township personnel will move fire equipment and property.
8. Payment: 50% after completed ceiling grid installation that passes ceiling inspection.
Final 50% paid upon project completion and approved final inspection.

I agree to the above Scope of Work and understand that if not adhered to my contract with the Huntington Township Trustees will be declared null and void.
