FO Snyder stated that she is in favor of permitting a limited amount of vacation to be carried over, but that the limit should not grow over time. She will provide the current vacation policy to the trustees to review, and then discuss and make a determination at the next meeting.

- FO Snyder shared the letter the Township received from the Ross County Engineer regarding Issue 1 funds for 2021. Engineer Ortman requested information for the package the county is putting together as well as a resolution authorizing him to act on behalf of the township, as well as a statement that our share of the project is available. Snyder reminded the Board that our Issue 1 funds would go towards payment of the loan we received from the Ross County Commissioners for paving Camelin Hill Road. Trustee Cottrill will call Ortman and remind him of how the funds will be used next year.

General items under discussion:

- August 2020 Run Statistics: 79 total calls of which 73 were EMS for which we answered 72. 6 were fire calls and we answered 100% of those. Gave 23 mutual aid and received 2.
- Trustee Cottrill discussed the need for a floor jack at the township garage. He quoted prices for a 10-ton jack \$1293.32 and 5 ton jack at \$811.99. After discussion, he decided that a 5-ton jack was sufficient.
- The Board discussed ongoing issues with the unsatisfactory repair work that VFP performed at the garage. Trustee Hopkins is meeting with a representative of our insurer Thursday, 9/9, to review and discuss the damage and unsatisfactory work in order to decide how to proceed.
- The Board and Fire Department leadership discussed ways that we may utilize the coronavirus relief funds. FO Snyder provided a list of approved uses from the State. Under discussion was an air filtering system at the firehouse possibly by Combs Heating & Cooling who currently hold our contract. Another idea was to update the restrooms to make them touchless. The Grant people have rejected many of our ideas. A new requirement is an interim (10/20) and final (12/30) financial status reports, with final closeout report is due 2.10.2021, via .an online portal. All unencumbered funds are to be returned to the County November 20, 2020
